INFORMATION DISCLOSURE STATEMENT UNDER 37 C.F.R. § 1.97(b)

Pursuant to 37 C.F.R. §§ 1.56 and 1.97(b), Applicants bring to the attention of the Examiner the documents listed on the attached PTO-1449. This Information Disclosure Statement is being filed within three months of the filing date of the above-referenced continuation application, which is concurrently being filed herewith. The listed documents were previously cited in the co-pending parent Application No. 10/316,109, filed on December 11, 2002, upon which Applicants rely for the benefits provided in 35 U.S.C. § 120. Thus, under 37 C.F.R. § 1.98(d), copies of the listed documents are not being submitted herewith.

Applicants respectfully request that the Examiner consider the listed documents and evidence that consideration by making appropriate notations on the attached PTO-1449 form.

This submission does not represent that a search has been made or that no better art exists and does not constitute an admission that each or all of the listed documents are material or constitute "Prior Art." If it should be determined that any of the listed documents do not constitute "Prior Art" under United States law, Applicants reserve the right to present to the Office the relevant facts and law regarding the appropriate status of such document.

Applicants further reserve the right to take appropriate action to establish the patentability of the disclosed invention over the listed documents, should one or more of the documents be applied against the claims of the present application.

If there is any fee due in connection with the filing of this Information Disclosure Statement, please charge the fee to our Deposit Account No. 50-0310.

Respectfully submitted,
